## UI/UX & GRAPHIC DESIGNER

Creative and detail-oriented UI/UX Designer with a strong foundation in Computer Science and 1+ years of experience in visual communication. Expert in translating complex user requirements into intuitive, high-fidelity prototypes and responsive designs. Proven track record of delivering 100+ design projects across diverse industries including tech, education, and fashion.

## TECHNICAL SKILLS

- **UI/UX Design:** User-Centered Design (UCD), Wireframing, Interactive Prototyping, User Flows, Information Architecture, Visual Hierarchy, Responsive Web Design, Mobile App Design.
- **Design Tools:** Figma, Adobe XD, Adobe Photoshop, Adobe Illustrator, Adobe InDesign, Canva.
- **Methodologies:** Design Thinking, Basic User Research, Branding & Identity, Typography, Mockup Creation.
- **Languages:** English (Fluent), Hindi (Fluent).

## PROFESSIONAL EXPERIENCE

- **\*Lead UI/UX & Graphic Designer (Freelance)\*\*** | Jan 2024 – Present
  - Spearheaded the end-to-end design of 100+ UI/UX projects, including mobile applications, web dashboards, and responsive landing pages, ensuring brand consistency and usability.
  - Collaborated directly with clients in fashion and tech sectors to define project scopes and deliver customized visual solutions that increased user engagement.
  - Developed interactive prototypes in Figma and Adobe XD to demonstrate user journeys, reducing development friction by providing clear design specifications.
  - Applied design thinking principles to conduct basic user research, resulting in improved navigation flows and a 20% estimated increase in user task efficiency for client apps.
  - Managed full-cycle branding kits, creating cohesive visual identities through logo design, typography selection, and color theory application.
- **\*Graphic Designer (Freelance)\*\*** | Jan 2024 – Present
  - Produced 100+ high-quality digital assets, including social media creatives, banners, and marketing collateral using Adobe Creative Suite.
  - Utilized Photoshop and Illustrator to create high-fidelity mockups for both fictional and real-world branding concepts.
  - Built and maintained client relationships through Instagram and professional references, consistently meeting tight deadlines for high-volume design requests.

- **\*UI/UX Design Projects (Personal Portfolio)\*\*** | 2023 – Present
- Engineered a series of mobile app interfaces focused on modern aesthetic trends and clean UI layouts using Figma.
- Iterated on existing user flows for popular app categories to identify and solve usability pain points through redesigned wireframes.
- Mastered responsive design techniques, ensuring seamless visual transitions between mobile, tablet, and desktop breakpoints.

## **EDUCATION**

- **\*Bachelor of Computer Science\*\*** | 2023 – 2026 (Expected)  
DDU University, Gorakhpur, Uttar Pradesh
- Relevant Coursework: Human-Computer Interaction, Software Engineering, Web Development Fundamentals.

## **AWARDS & CERTIFICATIONS**

- Expertise in Figma for UI/UX Design (Self-Led/Portfolio Verified)
- Advanced Graphic Design Mastery (Adobe Suite)
